

WOODHAM BURN PRIMARY SCHOOL NEWSLETTER 17TH JANUARY 2025

WWW.WOODHAMBURNPRIMARY.DURHAM.SCH.UK

Message from Mr Sparrow

Hello everyone, I hope you have had a brilliant week. We have very much enjoyed being able to get back onto the yard this week as the temperatures have increased significantly from last week.

I just wanted to say that it has been great to speak with so many parents who have taken the time to share that they have looked at their children's phones or that they have moved where they get charged. I have even had some parents talking about how they had been able to add parental controls onto the phone that they didn't know existed. It's working together and keeping a vigilant

Nursery

It is that time of the year where we begin to look at our nursery waiting list and think it is filling up for the coming terms. If you are wanting to send your child to Woodham Burn nursery then please complete an application form for a nursery place. Forms can be both collected and returned to nursery where Mrs Green or Miss Foster will be happy to help.

We share this as we know we have had discussions with parents who are wanting to attend but haven't get secured a place. Children are eligible for 15 hours funding (or 30 hours if working and eligible), the term after their 3rd birthday.

If they are eligible for a golden ticket/2 year old funding (a family worker would let you know), a child can start as soon as they are 3 years old.

Clubs

It has been great to see how well attended clubs have been this half term. The popularity of them has increased significantly as the year has gone on.

I know there has been some disappointment that children hadn't been able to get places this time round. We will try to priorities those who were unlucky this time to be able to attend a club during the next half term.

Smart Watches

Just a polite reminder that children aren't to wear SMART watches in school.

DISCO

The Big Club, 14th February
5.30pm-7.30pm
50p per person
Games, Prizes, Hot Dogs,
Cakes, sweets, Glitter Tattoos
Plus surprise mystery guest!

At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formerly delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit nationalcollege.com.
